19<sup>th</sup> December 2016

Dear Parents/Carers,

We made a great start to the new academic year with a new Leadership Team, Class Teachers and the news that the school had attained the best outcomes for our children since 2010.

During this term the governors have been active in school by attending meetings and monitoring the implementation of the School Development Plan. Our monitoring has included the teaching of phonics, equality, behaviour and safeguarding. I am pleased to inform you that the reports are positive and the governors are pleased that the school is implementing policies which are impacting on children's learning.

The Primary First Trust regularly review the schools' progress in ensuring that we are striving towards our aim of being a good school and again the governors are satisfied that the school is working hard to archive this.

We do however appreciate that we still have work to do and the governors are continually challenging the leadership team to ensure we meet our objectives.

Governor regularly visit the school but are aware that we do not have as much contact with parents and carers as we would like. If anyone has any suggestions on how we could improve our relationships with you all, we would welcome them. Please send your thoughts into school.

A number of governors have attended the Christmas performances and have been delighted with the children and both their singing and acting skills! We would like to thank the staff for their hard work not only in producing the performances but for ensuring that the children of Lessness Heath are receiving the best education possible.

This leaves me, on behalf of all the governors to wish you all a wonderful Christmas and to thank you for your continued support of the school.

Best Wishes

*Carolyn Sekulowicz-Barclay*

Chair of Governors

*This school is committed to the safeguarding and protection of children*
