Dear Parents,

Year 6 Leavers' Party

The time has come to arrange the Leavers party and say "Goodbye & Good Luck" to our Year 6 students as they move on to pastures new.

We would love them to have a party to remember.

In recent years, Year 6 parents have pulled together specifically to organise and plan parties for their children. These events have proven to be hugely successful and we believe this is the best way to party plan. After all, you know what your children want and what you want for your children.

You are no doubt aware that Education has not been spared Government cuts so finances are tight. And as with most schools these days, extra-curricular activities rely heavily on parental support - physically and financially.

However, the LSFA are pleased to advise they can fund the hire of a DJ for a disco and a Photo Booth. So, that's not a bad start.

And the rest is up to you.

Miss Steele, Miss Handley and Miss Butler are planning another 'Enterprise Week'. This was a massive triumph last year not only in fund raising terms, but it was great fun for the children giving them a sense of ownership, achievement and contribution to their special day.

You will have the full support of the LSFA and we will take care of legalities required for this kind of event. So, that leaves you good folk to plan the fun stuff!

Please remember we are here for you if you need us. Drop us a note in the red post box, email to lsfabelvedere@outlook.com or just grab us in the playground.

Next meeting Wednesday 19th April after school.

Good luck!

Sam, Angie, Stacey & Michelle
