Dear Parents/Carers,

As part of Our Wonderful World theme, Year Three are planning a professional Storyteller to visit. This visit is planned for **Monday, 20<sup>th</sup> February 2017**.

The name of the storyteller is John Harris and he will be telling stories from around the world. Storytelling is a traditional way of enriching our children about other countries and cultures, as well as improving their vocabulary and developing their imagination.

Storytellers do not read from books. It is a live performance which is exciting and engrossing. A good storyteller can take an audience from laughter to gasps of surprise with the twist of a phrase!

Children can learn best when they experience something and stories are often the best way to bring an experience into a classroom. A storyteller can take children back in time and around the world - from the Souks of Marrakesh, to the heat and dust of the outback - and safely back again for home time! The children are sure to value this experience and we are confident that this will support the children in their creative writing.

The contribution requested for this trip will be **£4.00** per child and payment must be made via our online payment system - SIMS Agora by **Friday, 10<sup>th</sup> February**. **If insufficient funds are received, this may result in the event having to be cancelled.**

Yours sincerely,

Ms Jensen, Miss Jayne and Ms Fredua  
Kingfishers, Woodpeckers and Hummingbirds - Year Three.
