Dear Parents/Carers,

Re: Rainforest ZooLab

As part of our Amazon Rainforest topic, we are researching various rainforest animals to help us produce a non-chronological report. To extend the children's knowledge and enrich the topic, we have invited ZooLabs in to run workshops with the children on **Monday 3rd July**.

In these workshops, the children will see & handle rainforest animals including a Corn Snake, Tarantula, Scorpion, Giant Millipede, Tree Frog, Giant African Land Snail, Domesticated Rats and Hermit Crabs and learn about them in more detail with experts from ZooLabs. Seeing the animals up close and having the opportunity to speak to experts on the subject will increase the children's understanding and stimulate their interest in the topic. We feel this will have a significant impact on the work they produce at the end.

The cost of the workshop is **£4.50** and we would need to have received payment by **Friday 16th June at the latest**. If payment is not received by this date, then the workshops will need to be cancelled.

To add to the experience and make the day more special, we would like the children to dress up as explorers/zoologists for the day if they wish.

Yours sincerely,

The Year 2 Team

(PLEASE RETURN TO THE SCHOOL OFFICE)

I confirm that I would like _____ in _____ class to be attend the ZooLabs workshop and have paid £4.50 via SIMs Agora.

Please state any animal allergies _____
