

MARVELLOUS MATERIALS!

The deadline for homework to be handed in is Friday 15th December

Year 1 Autumn 2 Homework	
Activity	Points
1. Visit your local library and find a non-fiction book about materials. Write 3 interesting facts that you find out from the book.	4
2. Make up a quiz about materials. Don't forget to use question marks.	3
3. Choose an object in your house that is made from more than 1 material. Draw and then label the different parts and materials	2
4. Can you find objects in your house to match these properties? Hard/soft/rough/smooth/flexible/rigid/transparent/opaque Take photographs or draw and describe the objects.	3
5. Make a list of materials and then look around your bedroom for 5 minutes (ask an adult to time you) how many objects can you find to match each material? Make a tally.	2
6. Design an attendance trophy for Lessness Heath School. Which material do you think would be most suitable? Draw your design and say which material you would choose and why.	3
7. Create a collage of an autumn or winter scene using different materials	4
8. Design a poster for one of our school values to show how important they are	2
9. Create a picture using only 2D shapes. Name and count the shapes you have used.	3
10. Practise your number bonds to 10. Think of different ways to help you learn: draw pictures, use a number line, colour in pairs of numbers on a 100 square.	2
<p>Please remember to read daily with your child as well as practising the Year 1 spellings</p> <div style="text-align: right;">  </div>	

We hope you enjoy your homework activities and look forward to seeing all your hard work.
