

Don't stop believing!

Activity	Points
Write an argument about why food waste should be stopped from large food companies and what alternatives there could be.	5
Research Jamie Oliver's campaign about wonky veg and design a recipe based on this idea.	5
Take a trip with a trusted member of your family to Hall Place and the gardens surrounding it. Watch the animals in the quiet area at the back of the gardens. Take some photos of the beautiful birds and any other wildlife you spot. Label your photos/pictures.	4
Design and make your own tree based on the ones that Norman Messenger was able to catalogue.	4
Draw or paint your own imaginary animal and label it with full descriptions.	5
Watch clips from "Blue Planet" on http://www.bbc.co.uk/programmes/b008044n then, using a Venn and Carroll diagram, sort the different animals into your own criteria. Explain why you have sorted these animals into the categories you did.	6
A zoological society want to bring some of the animals from Neverbelieve to research. They need pens to keep the animals in— design 8 pens with the same area but using different designs for each.	5
Find the perimeter of each of the 8 pens you have designed. Are they the same as the area? Why/why not? Write your explanations.	3
Create 3 written and drawn food chains using the animals you watched on Blue Planet.	2

To go to "Neverbelieve" it costs £12.54 for an adult, £10 for Concessions and £7.26 for children. How much would it cost your family to go? Your 2 best friends want to come. How much now?	1
Design a ticket and passport to go to "Neverbelieve"	2
Write a persuasive letter encouraging others to come to the Island of Neverbelieve.	3

Enjoy your homework and remember the final date to bring it in is Friday 15th December
