

“Everyone is different.
Everyone is brilliant.”

Activity	Points
Research the author, RJ Palacio	2
Make a 3d model of yourself	5
Research your family heritage and culture	2
Design and make your own family tree	3
Produce a collage representing a character from the book 'Wonder'. You can use drawing, words or old magazines. Think about the characters personality traits.	4
Create a biography on the famous scientist, Stephen Hawking	3
Visit an art gallery (Tate Modern) to look at famous portraits	5
Create a 'Wordle' of what that represents you	4
Sketch a picture of what you think August Pullman looks like	2
Create an interactive presentation (PPT) about anti-bullying	3
Search your favourite recipe and use your maths skills (ratio/proportion) to write a recipe for the whole class!	3
Watch a You-Tube video of the dance group, Diversity and create your own dance. Video it if you can!	4
Practise and play the place value and number games on MyMaths	3
