Dear Parents and Carers,

As you know the guidance is constantly changing and evolving. But in order to be in the best position we can in September we are going to make some changes to your previous transition timetable.

Home visits

If you are due to have a home visit this will now take place in school, we will still complete the required paperwork and will do our best to keep your date and time slot the same. You will be allocated a 15 minute window to meet with your class teacher. This meeting will be held outside and will follow social distance guidelines. A member of staff will be in contact with you to allocate your slot. Please bring a photo of your family with you that can be put on display in our reception classrooms.

Stay and play

Stay and play cannot happen in the usual sense, this is in order to keep you, your children and our staff safe. However, stay and play is very important, and we have decided to hold this outside whatever the weather. Children and parents will not be able to enter the school building, we will greet you at back gate and walk you round to our reception gardens. Each class will have a separate time slot and we will clean and reset the gardens in between each visit.

September

A letter will be sent out soon from Miss A Bolton with details of our September re-opening plans. These plans have been designed to make the school as safe as possible as all the children return.

Facebook

Our Facebook page often has the most up to date information, please make sure you like and follow this page to stay up to date over the summer.

The new stay and play slots are as follows:

This school is committed to the safeguarding and protection of children

Owlet	9:30-10:15 45 mins
Gosling	10:45-11:30
Cygnet	1:45-2:30

We hope that you are able to attend both your home visit and stay and play session. We look forward to welcoming you to our school in September.

Thank you
Mrs Francis
