

Hello, from Lessness Heath's new Family and Pupil Support Lead!

My name is Wendy Brasnell and I have joined Lessness Heath as the new Pupil and Family support Lead. Having worked in Bexley schools for 19 years I have a wealth of experience of working with parents, carers and children in primary schools, secondary schools and an alternative provision. I have supported children and their families in all areas that they have found difficult. These have included managing behaviour boundaries, coping with trauma, separation anxiety and supporting families working with other agencies should they need this. We are obviously in unprecedented times and I am sure many of you have some anxieties and concerns about your children returning to school or other difficulties that may be unrelated. Please do not hesitate to contact me if you wish to discuss anything that I could support you with.

Once we are able to invite parents and careers into school I would like to meet as many of you as possible both at the regular coffee mornings and at the individual parenting support sessions and parenting programmes that I will be offering. I will send out further information about the topics covered in the sessions and in the programme at a later date. In the meantime please feel free to contact me on 01322 433290 Ex 329 or admin@lessnessheath.bexley.sch.uk

Kind regards

Wendy
